The route of climb to Elbrus on the west is the shortest way to the highest point of Europe - West summit of Elbrus (5642m). Here, there are no ropeways, no ratraks, and a few goes on this route on foot. You've ever seen this Elbrus. Powerful glaciers, rock walls, including the famous wall Kukurtlu, open up the view from the Gil-Su Glade and give the impression of the Himalayan peaks. You await mineral springs in the base camp on Gil-Su Glade. There are warm baths and numerous sources of drinking. Absolutely primeval places will leave you an unforgettable experience of climbing. You will plunge into a real expedition life, full of adventures!

Itinerary

Day 1

Transfer Airport - Mineralnye Vody - Pyatigorsk (duration about 1 hour)
Accommodation in a hotel in Pyatigorsk
Look at and select your equipment for climbing
Free time.

Day 2

Transfer Pyatigorsk - Cherkessk - Karachaevsk - Uchkulan - Khurzuk and further to the gorge on Glade Narzanov Dzhily- Suu - base camp in the valley of Ullu-Hurzuk
Duration 5 to 7 hours.

Day 3

Acclimatization, Ascent to C1 camp on the moraine (altitude 3500m) and descent back to base camp. The route runs along broad grassy slopes, crosses the river and climbs up on the moraine of the glacier. You can carry some of your items.
Duration is 4 to 5 hours
Bathing in Dzhily- Suu springs.

Day 4

Ascent to the Camp C1 (3500)
Acclimatization, Training on snow and icy slope
Duration is 4 to 5 hours.

Day 5

Ascent to 3900m, radial exit, training on snow and icy slope
Morena, big and medium-sized sliding rocks, for 3 hours
Leave the equipment, snow and icy training for 2 hours, Descent to the camp C1 (3500)
From the first camp (3500m) to the bridge under the rock Utyug, the ascent passes through a rocky slope up to 20°. All participants are required to be in helmets.

Day 6

Ascent to the Camp C2 at 4200m, the most difficult part of the route is on the way from the bridge under the rock, "Utyug", marked "1" on the photo up to the western plateau, labeled "4".
Section 1 to 2 traverse 400m along the medium sized sliding rock. Section 2 to 3 snowy slope 30°, 40m followed by 15° 60m, a bivouac shelter is

likely at the position "3".

Ascent to the upper camp C3 on the western shoulder up to an altitude of 4600 m

Section 3 to 4, climb up the snowy slope of 20° 20 m, then traverse to the right of the slope 300 m, exit to the western plateau.

Day of Ascent

A snowy slope with an average steepness of 15 to 20° runs along the ridge of rocks from the camp on the western plateau (4600m) to the summit. The entire path is fully inspected and does not present any technical complexity. Overnight stay in the camp.

Attempt to climb (reserve day in case of bad weather). Descend to the camp at 3500m.

Day 10

Descend to the Base camp at 2500m. Bathing in Dzhily- Suu Narzan springs.

Day 11

Breakfast at the base camp. Transfer to Pyatigorsk. Accommodation in the hotel. Awarding certificates.

Safety

Climbing Mt.Elbrus is an active kind of sport in the mountains potentially dangerous for the life and health for all the participants of this program.. Our guides will provide the necessary level of safety in case you will follow the Safety Instruction. The guide has a radio, GPS, mobile telephone, all necessary group equipment.

Decision of stopping the program when the weather and snow conditions impose a threat to lives of the participants is in exclusive competency of the guide accompanying the group on the route and can not be discussed. The guide is responsible for providing safety on all kinds of mountain relief.

All guests should have medical insurance in case of incidents or immediate illness which can cover medical and other expenses in emergency.

Medicine

A First-aid kit to render first aid is available with the guide. At any time and in any place, the guide has the ability to communicate with the rescuers of MES. You should be in possession of specific individual medicines.

Extra costs

- Moscow - Mineralnye Vody - Moscow flight, international flights.

- In case of an early descent from the high-altitude shelter before the period stipulated in the program, hotel accommodation.
- Money paid for shelters, booked in advance in accordance with the tour program is not refunded. We earnestly hope that you understand these conditions well. In peak season, seats in the shelters are not adequate for all guests, so we book the seats in advance considering the required number of reserve days.
- Local souvenirs.
- Self-catering in the valley (the average price for lunch/supper starts from 300 rubles per head). In the valley, there are many cafes and restaurants, mostly of Caucasian cuisine.
- Climbing by ratrak on the day of ascent costs 600 euros per ratrak (a group of up to 10 persons).
- Excursion ticket by chair lift to Cheget costs 450 rubles per head and by shuttle ropeway to Azau costs 750 rubles per head.

Weather

At the height of 5,000 m or more, the weather is rather cold: -20 in summer; -40 in winter. Base camp - +15-+30 in summer, 0-+15 in spring and autumn. At 3500m -2- +20 in summer, -5—30 in spring and autumn.

Sometimes wild winds blow. We prepare ourselves for the worst weather conditions. At the same time, it can be rather hot down the valley.

Service staff

Full board in the Caucasus - 2 meals a day in hotel restaurants. Pocket lunch while touring and climbing. We offer you complete and balanced meals useful for people exercising up in the mountains. They include vegetables, meat, fish, bread, cereals, tea, coffee, and milk.

If you have food restrictions (for example you are a vegetarian), you should warn us beforehand. We'll try our best to make you feel comfortable.

Accommodation

Our basic hotels are Ozon, Povorot and Chiran.

These are modern, comfortable hotels having all the necessary infrastructure and comfortable rooms, and with polite and responsive staff.

At the Base camp and at the storm camp on 4600m we stay at the comfortable 2-bed tents.

Transport

For transfer we use comfortable off-roads (depending on the group size) like Land Rover, ex-military truck GAZ-66 or UAZ. Transfer airport – hotel – airport is a group one and is made once on the arrival day and once on the departure day. In case of necessity we can book an individual car for extra fee.

Payment conditions

- Please meet our rules of payment conditions. To provide a successful and safe realization of the program we are to undertake definite efforts and preparation which require expenses.

Down payment when booking is 5000 rub. In case you cancel the trip it is not refundable.

- Full payment should be done not later than 20 days prior to the beginning of the program. If the full payment is not done in this term we consider the trip cancelled and quit the booking. Please, be aware that the first payment is not refunded in this case.

- You can pay in cash in our offices in Moscow, make a bank money transfer or via credit card on-line.

Mobile connection

During any trek or hike the guide has a radio and a satellite telephone at his disposal. It is possible to get the connection in any place. There is no mobile connection at the base camp and higher. You can have the satellite connection for extra fee.

WiFi is available at the hotels.
